On the 18th May 2016 an official delegation of the University in Bialystok (Poland) consisting of the vice-rector for international relations J. Matwiejuk and the dean of the faculty of history W. Slezhinskij visited Smolensk State University. The representatives of Polish university get acquainted with the work of our university, held working meetings with the rector and heads of structural divisions. During these meetings the sides discussed prospects of further cooperation between the partner universities, in particular, preparation of the Autumn school in law for Polish students at Smolensk State University (September – October 2016), participation of students and lecturers of both universities in the academic mobility programme "Erasmus+", etc.
