From the 29th May to the 1st June 2016 VII German-Russian Conference for graduates of German programmes "Siberian specific progress: Education - Science - Career" was held in Siberian Federal University (Krasnoyarsk) with the support of the German-Russian Forum. About 30 representatives from different regions of the Russian Federation were invited. Smolensk State University was presented by N.Vassileva, a specialist of the Department for International Relations, the Chair of German language. In the focus of educational events were actual problems of project management as well as the organization and coordination of international relations of partner universities from Germany and Russia.
