On the 10th June 2016 R. Beliutin, Chair for German Language, took part in the international scientific-practical conference “Football: multilingualism and other prospects” at the Department of Romantic Languages at the University of Innsbruck named after Leopold Franz (Austria). Project leader was a Professor of romance Philology Department of Romantic Languages at the University of Innsbruck named after Leopold Franz E. Lavric. Scientists from Austria, France, Russia, Czech Republic, Italy met on the eve of the UEFA European Championship to discuss actual problems of sport discourse: pragmatics, semantics, linguistic interference, the representation of sport events in the media communication etc. R. Beliutin made also reports on the specifics of the language of football at the Leibniz Universität Hannover (Germany).
