

Visit of a delegation from Smolensk State University to Torun

Written by Международный отдел -

From 3rd to 7th April 2017 a delegation from Smolensk State University visited a Polish partner-university – Nicolaus Copernicus University in Torun. Representatives from Smolensk State University held thematic lectures and master-classes in Russian, German and English languages at the Philological Faculty, met with the university administration and discussed the prospects of further cooperation in educational, scientific and cultural fields. Colleagues from the partner-university told about the implementation of international educational programs, academic exchange between students and staff in the framework of the "Erasmus+". The return visit of colleagues from Poland is scheduled for the middle of May 2017.
